EXTRACURRICULAR ACTIVITIES

Graphic Design Club 2017-2019

- This club would teach others the basics of graphic design and ultimately mastering it.
- We also hold competitions to see who could make the best design.

Engineering Club 2017-2018

- The club had different speakers such as professors and engineers that came once a week.
- They talked about what they do and why engineering is important to them.

VOLUNTEER EXPERIENCE

Youth Action Team, Volunteer (Completed 25 Volunteer Hours) 2017 – 2018

- 4/14/18 - I volunteered for the OC Fair's Imaginology. At Imaginology, kids and their families see a world of wonder, but can participate in a wide range of fun and educational hands-on activities designed to inspire and encourage academic and career exploration.
- 4/3/18 – I volunteered for the Discovery Cube's Bubblefest. Bubblefest provides learners of all ages the opportunity to interact with bubble activities and learn more about the science behind the soapy fun.
- 3/17/18 – I volunteered for the Shade Tree Partnership. The purpose of this project was to weed, stake or re-pot the baby trees and shrubs that have already begun their rapid springtime growth spurt.
- 12/9/17 – I volunteered for Girls on the RUN 5k event activities.
- 10/28/17 – I volunteered for the National Psoriasis Walk event activities.
- 10/7/17 - I volunteered for the Irvine Police Department (IPD) Open House activities: This free event featured Police Department tours, meet officers and K-9s, displays of patrol cars, motorcycles and other police vehicles; child-friendly activities, and food trucks.

WORK EXPERIENCE

Department of Bioengineering, Office Assistant 2020

- Signing off and sending packages to Professors and/or their Assistants
- Setting up Speaker Events for Professors/Engineers coming from different Universities
- Making sure that finances are correct and accurate
